The Low-point Scoring System (RRS Appendix A) will apply. A minimum of 1 completed race is required to validate the individual regatta. When 4 or more races are completed, 1 race score will be excluded. There are separate rankings for each Master category as defined in 16.1 Prizes below. It will be by extraction for each age category from the overall position in the ILCA 7 fleet and ILCA 6 fleet unless there is more than one start in the ILCA 7 or ILCA 6 fleets when the ranking will be extracted from the overall position in the starting fleet. Results will not be re-scored by age category from a combined fleet. A separate ranking will be extracted from each age category for the Radial women. The ILCA 6 Legend Masters (75 & over) result will be determined by the series score in the combined ILCA 6 Great Grand Master and ILCA 6 Legend Master fleet. (Note: This result will be extracted from the overall result and published without recalculation). Where the fleet is not split, or the method of splitting allows, prizes shall be awarded to the top 3 overall winners of the ILCA 7 and/ or ILCA 6 fleet mixed and/ or ILCA 6 Women.

If a points scoring penalty would result in a score worse than DSQ, the penalty will be that

corresponding to DSQ. The scores of other boats will not be changed.

15.2. Overall series

The overall EMS Series ranking will be composed by adding the results (position, not points) for each age category at each individual regatta. A separate ranking will be made for each age category for the Radial women.

A minimum of 2 regattas must be sailed by a competitor to be included in the 2022 Euro Master Series ranking and a competitor's best 3 results will be scored for the Overall Series ranking. For regattas not where a sailor does not compete or the event is cancelled for whatever reason, the competitor shall score NIL points.

Competitor's results from each EMS regatta shall be re-calculated on the basis described below and the series winner shall be the competitor with the highest total score. When there is a tie on the total points between two or more boats, the tie shall be broken in favour of the boat with the most first places in the individual regattas, and when any such boats remain tied, the most second places and so on, if necessary for such races as count for total points. When the tie still remains, it shall stand as part of the final series results. This changes RRS A8.

Results in individual regattas will be re-scored based on a Factor of 1.0 for each event except the Masters European Championship where the Factor will be 1.2.

$$\text{Race Factor} \times 100 \times ((\text{total number of participants} + 1 - \text{finishing position}) / \text{total number of participants}) = \text{score}$$
